L.E.A.P. Program Mission and Vision

The mission of the LEAP program is to provide students with engaging opportunities to explore, build and connect with others in a Catholic environment. Students will collaborate on STEM related concepts and ideas as well as learning the skills to recognize and develop an understanding of the values, integrity, authenticity, and desire to serve that effective leaders possess. The program is designed to create leaders who have a sense of accomplishment, an ability to communicate, a feeling of confidence, and an understanding of their role in a larger community.
